OFFICE OF PETITIONS

Dear Sir:

I hereby authorize the Commissioner to charge the Petition Fee of \$130 that is required to  
Bracewell & Giuliani LLP, Deposit Account No. 50-0259 (2065JB.37332).

Petitioner Micrin Technologies Corporation respectfully requests the Solicitor Withdraw from  
Issuance the above-style application. The rights in the invention disclosed in U.S. Patent Application  
Serial No. 09/736,354, the above-styled application, were assigned to such that Petitioner and  
Applicant were each Fifty Percent (50%) co-owners of the invention. See Exhibit A. The Assignment  
was filed with the USPTO and recorded on Reel/Frame 011366/0447. See Exhibit B. Nonetheless,  
Petitioner believes that the above-styled application is set to issue without such ownership/assignment  
information on its face. Therefore, Petitioner respectfully requests the Withdrawal from Issuance of  
the above-styled application until the ownership/assignment issue is resolved and the  
ownership/assignment data is properly included.

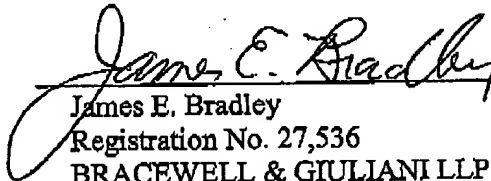

While Counsel for Petitioner is not listed as having power of attorney for the above-styled application, Petitioner notes that the power of attorney for Petitioner's Counsel was never properly revoked. According to MPEP § 402.10:

Papers giving or revoking a power of attorney in an application generally require signature by all the applicants or owners of the application. Papers revoking a power of attorney in an application (or giving a power of attorney) will not be accepted by the Office when signed by less than all of the applicants or owners of the application unless they are accompanied by a petition and fee under 37 CFR 1.182 giving good and sufficient reasons as to why such papers should be accepted. ...

The new power of attorney was never signed by Petitioner, and there was not a petition filed and granted excusing such absence. Applicant filed a Statement under 37 CFR § 3.73(b) stating that LS UNICO, INC. was the assignee, and that Applicant was empowered to sign on behalf of LS UNICO INC. See Exhibit C. As shown by the Assignment of record, and the assignment attached to Applicant's Statement under 37 CFR § 3.73(b), Petitioner Micrin Technologies Corporation was a Fifty Percent (50%) assigned, not LS UNICO, INC., of the above-styled application. See Exhibits A-C. Petitioner had no knowledge of such revocation at that time, and never signed a revocation of power of attorney in the above-styled application. No petition and fee under 37 CFR § 1.182 was filed giving good and sufficient reasons as to why such papers filed by Applicant should have been accepted. Therefore, Petitioner's Counsel continues to have power of attorney to act on the above-styled application.

Respectfully submitted,

Dated: July 7, 2005
